

# Professional Development Scholarship Application

## Academic Year 2008-2009

Scholarships are available for teachers to participate in professional development workshops at the Christa McAuliffe Planetarium, due to the generosity of NASA's STEREO mission. Intended to enable teachers to take part in workshops who may otherwise be unable to participate, these scholarships cover the full \$75 cost of the workshops. Apply soon - a limited number of scholarships are available!

Name of applicant: \_\_\_\_\_
